Dear Sir,

Hope this email finds you well. The report which You have received regarding my 7 days absentees in the month of June is totally false & baseless because i have shared my daily headcount with respected PEO Dr. Wahab on the mentioned dates which are on record. As you know that there is network issue in my concerned area/tehsil which you have personally visited and district level staff (PEOs & DSO) also know the said fact.

Dear Sir,

Lets suppose if I did not share my daily headcount, I thank its the moral & legal responsibility of reporting person/ supervisor to know the cause of not sharing headcount before reporting the matter to the high-ups. Being a humanitarian worker I personally believe that (CTC/UPCOs/TCSPs, PEOs, DSO) just like one team & one family but unfortunately its has been proved that I was thanking wrong because members of one team and one family protect, respect, care of each other not vise versa. At the end I would like to say that not sharing of headcount or sharing later does not mean that I will not perform my duty.
