Respected sir,

Here it is stated with a great veneration that due to the communication problem i not sent my daily headcounts on time and i was considered absent for three days of the previous month jun 2020.

Sir I have been living a very tough area in our term G3 but actually, it is beyond G category because most of the time I was searching for the network even to send a simple message to my concern authority so what I do, this our luck which can not be accompanied.

So sir , how do I sent daily head count on the time

Main issue; Signals

And I was done my job activities in those days.
