Dear Imran

As discussed over phone with you, UCPO Adeel from UC 4 Baldia Town was not in the training yesterday or today. I called him today 5 times. He answered the 5th time and told he is in Ziauddin Hospital due to an emergency with his daughter. I have counselled him, warned him, scolded him and what not about his irresponsible behavior but I have not seen much improvement. Even today he failed to inform me about his absence. Kindly look into the matter.

Regards
