Subject: Re: Show letter on account of unapproved absenteeism

Respected sir,

I want to explain my position about the showcase notice that was sent to me about the absentees in the following words;

My UC Arghunja-1, is situated about 45 km away from Ghaljo, there is no means of communication and also lack of transport. I am doing my duty regularly with honesty . On many occasions PEO validated me in my UC .PEO by self had visited and identified the above mentioned facts/ problems.

Due to unavailability of a communication network , I am unable to share a headcount on a daily basis.

I hope you will consider my issue/ facts

Regards Muhammad rafiq UCPO Argunja-1
