Dear Sir,

I hereby tender my unreserved apology for my lateness to work. I do not have any excuse for my action.

Sir, please permit me to bring to your notice that I have emergency work on 6 July. That time I was not able to connect with TCSP or write properly email. I do not present these factors as excuses, instead, I will plan my time better.

Please accept my sincere apologies once again.

Thank you sir.

Dear Mr Rizwan hope you are doing great .

I am writing this email because you were absent without availing leave approval on date 6th July 2020 , even you didn't bother to ask from your first level supervisor.

You were also informed by your TCSP Azad to attend very important meeting of subdivision Miranshah and subdivision Razmak but you remain absent.

Your poor compliance and non-serious attitude in this critical era of the covid 19 and polio pandemic is not tolerable.

You are hereby directed to join duty station immediately and explain your reason of your absence.

Regards.
