Subject: - Response on Show Cause Letter on account of dual Job

Respected Sir/Madam

I am writing this in reply to the show cause letter Ref: SL-KPK-034/August/R served to me on 12/08/2020. It is stated that the complaint on account of my dual job/employment is baseless and based on lies. I do not have any other Job/employment contract except Chip and Training Consulting (pvt) Ltd.

I am nor an employ neither I have any employment contract with any TV channel or News paper. Neither do I get/claim salary or other financial benefits from any other organization. Yes I do write articles occasionally for different News papers and do have strong contacts in many TV channels. I do have many close friends in different news organizations. I do share information on their request occasionally. But it happens when I have an off day(s). In working days or in duty hours I am hundred percent focused on my job as Union Council Officer. And never concealed anything from CTC. I have always adhered to the CTC. I strongly believe that the complaint is as conspiracy to ruin my future.

Thanks and Regards
