Subject: [EXT] RESPONSE TO THE EXPLANATION LETTER

Respected sir,

In the refrence of mail, that weak supervision, monitorin and staff absent from the field...

I would like to say that my supervision and monitoring is not weak, because you can compare my uc mastak with all UCs on the basis of performance, its true that uc mastak report and data delivery is somewhat late compare to other UC, but its a communication problem in many areas of my uc mastak. Moreover uc mastak is a scattered uc.

My uc staff reported as absent from the field, actually its true and i accept it, but usually they are moving out of uc for the purpose to deliver the data demanded...

Moreover I strickly ordered to all staff to be in field and never leave with out leave aprovel...
If they are not acted upon the order i will inform you timely and then i request you to take action against them.

Thanks

Yours sincerely ,
Engr. Ahmad khan
