Dear Sabeela,

First of all, thanks for sharing I am totally disagreeing with with both statements ,Mr Nisar and Mr Najeeb joined the training in late hours just for sake of signatures on attendance sheet on 24<sup>th</sup> May while in AS training day on 27<sup>th</sup> both were absent despite sharing training plan and according Mr Najib that he was there for collecting weekly zero report he has to collect that report on Saturday evening and have to submit it to office on Monday morning.

So once report is shared from our staff I think there is no need of reconfirmation/validation from staff which were already made accountable and should be considered as final decision from supervisors.
