Dear Imran,
Following is my feedback:

Reply:

Sir pre-Campaign week I have done my field validation and Microplan desk review validation and I have submitted these forms with UC Microplan to the respective DPCR.

Comment:

The claim of desk review and field validation of microplan is incorrect and timelines not followed by team member.

Reply:

Sir during campaign days I have fully spent my whole energy in the refusal conversion activity which was conducted by DPCR team, and my seniors were appreciated my efforts and work.

Comment:

Performance in recent SNID campaign (17-23 June, 2019) was satisfactory.

Recommendation:

Her Explanation may be accepted positively.

High Regards
Dr. Najma Tariq

Dear Sir,

I have received Explanation letter and I have read out it completely.

Sir pre-Campaign week I have done my field validation and Microplan desk review validation and I have submitted my these forms with UC Microplan to the respective DPCR.

As you have mentioned in the letter that UC-2 counted in the High Risk UC where I'm working now, Sir during campaign days I have fully spent my whole energy in the refusal conversion activity which was conducted by DPCR team, and my seniors were appreciated my efforts and work.

Sir, I'll try my level best and also will improve my skills which will be fruitful to conduct a good quality campaign in my Respected UC.

InshAllah next time you will never heard any complaints against me.

Thanks and

Best Regards

Asfa Naz
