Subject: Request to take appropriate action for UCPO UC Jahanwah District Shikarpur

Dear Sir,

We sincerely hope that you must be doing fine.

In regard to the previous warning letter issued against the UCPO Mr. Imamuddin of UC Jahanwah, we are requesting your good office to proceed with that warning letter as the performance of the nominated UCPO is not improving. Please find the previous letter attached with the letter. The UCPO is not even giving proper compliance regarding the Microplan preparation at UC Level.

This official warning letter from your office will surely put above said UCPO under raddar. We will keep on informing you about the performance of this UCPO from time to time.

Thanks

Regards,

Dr.Sagar PEO Shikarpur
