Subject: FW: Absence from Field & Leaves Without Information

Dear Munir,

This is second time same complaint regarding non-serious attitude and absence from field without information has been observed from your side. During whole week you leave the UC around 1-2pm. On Friday 15-March-19, you left the UC at 11.00am without information. On Saturday 16-Mar-19 , you were absent without information. Despite multiple calls from PEO & Area Coordination you have not responded and send whatsapp message around 10.30pm regarding absence from field and reason does not seems genuine to me. In your whatsapp message it is not mentioned who is ill among relatives. Today you are again absent without leave.

Consider this as a last warning from our side. We need seriousness among staff rather than absentees without information. If there is any genuine issue which hinders your performance discuss with us. We are here to support you.

Regards
Dr. Asma Waheed
PEO North Karachi
