Dear CTC Colleagues,

Below are the dates the UCPO Janikhel and UCPO Momand Khel were recommended for call of explanation.

1. UCPO Janikhel, Hamidullah was reported on 19/6/2019. The external monitor reported Cold Chain issues and UC Staff not following SOPs regarding vaccine distribution. It was reported that the CHWs of the said area took vaccine carriers to home after evening meeting. The issue was supposed to be communicated by the UC level staff including UCPO, UCO and AS. According to the SOPs the teams are supposed to bring vaccine carriers to the team support center.

2. UCPO Momand khel, Inayatullah was found absent by external monitor during campaign monitoring on 17/6/2019. The UCPO went to attend a nearby Janaza for 30 minutes and then came back but was recommended by DPCR Core committee to explain his position.

Hope it is clear now.

Dear Shahid sab,

Reference to the visit of federal monitoring officer to UC Janikhel during June 2019 Campaign, it was reported that the CHWs of the said area took vaccine carriers to home after evening meeting. The issue was supposed to be communicated by the UC level staff including UCPO, UCO and AS. According to the SOPs the teams are supposed to bring vaccine carriers to the team support center. The recommendation is done by the District Core Committee.

It is requested to please call explanation from the concerned UCPO for non reporting the issue.
