Saqib Ali Mumtaz,

Manager Legal and Contracts

Sir,

An email with subject "Show Cause on Account of Data Fudging" received to me from your office on July 17, 2019. In which I have asked to submit your response on below mentioned allegations.

1. **Data Fudging**
2. **Minimum visits to assigned area**
3. **Not know the names of workers**

Sir, UC Ammakhel is CBV UC having five areas with wide spread G-3 geographic status. We are two UCPOs working in this UC. UCO Latifullah is looking after the urban side of the UC having three areas that are Ammakhel-I, II & III. Whereas I am responsible for rural (Peripheral) areas of the UC, that are Daudkhel-I & II.

- I. I strongly disagree with the allegation of Data Fudging because whenever any task is given to me by my supervisor, I have completed with honesty and zeal. Being a human I may be done mistakes but not gross blunders like Data Fudging.
- II. Secondly you sated in show cause that I am paying minimum visits to my assigned area. Sir, I regularly visit my assigned area in all phases of the campaign that are Pre, Intra and Post campaign. I have only two areas, during campaign days, a UC level supervisory plan is chalked out under the supervision of UPEC chairman, in which every UC supervisor is assigned with one area for monitoring and supervision. I regularly send my attendance and Household clusters to Data TTM. Attached are the clusters of my previous campaign.
- III. Thirdly I also disagree with the complaint that I do not know the names of my workers, CHWs and AICs. Sir, I am working from four years in this area and I know all

my CHWs, AICs and UC level staff of my UC. Below are the names and designation of my staff;

Area Name	CHW Name	AIC Name	UPEC Chairman
Daudkhel-I	Aziz Khan	Khalid Khan	Mir Abbass
	Mir Azam		
	Shamshad Begum		
	Anwer Shah		
Daudkhel-II	Sher Ali	KarimUllah	
	Gul Bat		
	Kifayatullah		
	Muhammad Alam		

I would like to reiterate the fact that I am performing to the best of my level in the capacity of UCPO since 2015. I ensure integrity and commitment for this position and well aware of my role and responsibilities.

I hope the above explanations with documented evidences will be sufficient and responsive to clarify the charges against me.
