Subject: Termination recommendation of UCPO Syed Usama Tauqeer (UC 8 Gulshan town)

Respected Sir,

It is to be informed that we are facing a major unethical matter regarding UCPO Syed Usama Tauqeer who is over friendly to CHWs and Area Supervisors and working environment in UC 8 is totally unprofessional due to his presence. Despite of that matter, many issues regarding his work assignment is also observed.

I would request to take serious action against him. Kindly terminate him from this post as we have majority female workers and such behavior is totally unacceptable.

regards

Dr Ambreen PEO
