Respected all,

With reference to your mail received regarding Casual Attitude. I'm writing this email as explanation to the context. With due respect, in past there were some issues 6 months back which were resolved at that time and after that I was working smoothly as per my PEO instructions. Following those events, I have stopped communicating with CHW's and ASPV's in regard to any administrative issues and i am working according to my SOP's provided by WHO. If you have received any observations of being friendly inside UC with front line workers, you can further contact my partner staff and ask them about my work in UC. I'm apologizing for what happened in the past and i will take care more next time and I will make sure that I will not do any activity which downgrade the image of WHO and is against the SOP's of UCPO.

Looking forward to your positive response. Thanks
