This is with reference to your explanation letter as to my abstinensim during STPEC meeting dated 9th August 2019. It is to inform you that I was not feeling well on the eve of the said activities. I informed the concern TCsp Mr Irshad khan on time. Due to severe pain in my stomach I was unable to follow the proper procedure for the sick leave but I sent a text message which can be shared as proof if required. It is also requested that please take the concern TCsp Mr Irshad in the loop for further explanation.

It is not a matter of pretense but a genuine problem which impeded my way to fulfill my duty according to the desire level. . But contrary to it, previously I proved myself dutiful and always responded promptly on any type of task even sharp-time bounded task given by the office or supervisor.

Anyhow, I am offering sincere apology for the inconvenience and will assure you that same practice will not be repeated any more ahead.

Best regards,
