Respected sir or madam,

I am writing this email for your attention.

Most of the UCPOs are having double jobs. They are the permanent employee of government department and also working in polio program, some ucps are below:

Abdul Qadar: UCPO Union council Trata, is current employee in Water management

Imran Khan UCPO Karbala is a regular employee of education department, since last 8 years and also working in polio program.

Abdul Wali working as UCPO in Muchan Union council, is the employee of government department

Riaz khan ucpo dub khanzai is working in NCHD.

These are just few examples; you are requested to check all the ucps

Secondly, many of the ucpos are also non- local

Jalil Bacha UCPO in Ibrahimzai is from Huramzai but working in another UC.

U plz check all others

RSPs are not religious scholars:

Raja working in Pishin Town is a tailor master. He is not a religious scholar.

Dear sir/ madam, many qualified candidates, having M phil masters and PhDs educations are jobless. But your employees are having double jobs. This is fully against of rules and laws. If this status continued, we are unable to finish polio from our country. This noble cause cannot be completed by these illegal staff.

I requested again and again to investigation these polio peoples.
