Dear Mr. Waseem,

With reference to below email of Dr. Ghayas, Vaccine Management committee has conducted an inquiry regarding missing vials of mOPV2 of CR campaign August 2020 in UC Ghundi-A of district Khyber. A negligence in vial management has been report against UC level staff (UCDO Shah Hussain) and poor supervision of UCPO Mr. Mansoor.

As per the Vaccine Management Committee, unusable vials was not proper stored, vial physical verification and count was not done in evening on daily basis and separate zip lock bag for daily unusable vaccine with area number and name of worker was not maintained.

Hence, Mr. Mansoor UCPO is recommended for explanation letter on account of poor supervision and monitoring skills.

Vaccine Management committee inquiry report is attached for your reference.

Thanks & Regards,
Shahid Ali

Subject: Mismanagement of Vails during CR 2020 August.

Dear HR Team Aoa

I Hope you all doing well. With the reference to post campaign review meeting held yesterday in DC Khyber office on ZOOM link with EOC ,lost and damaged vails Issue was raised by EOC KP and discussed in detail by senior management.

In Khyber Massive mismanagement has been reported from Ghundi A tehsil Jamrud. Inquiry has done by vaccine management committee Khyber (**report Attached**).

All the recommendation was discussed in DEOC Khyber today ,after which i am forwarding it your good office.

On the basis of that inquiry Mr shah Hussain UCDO ,Mr Mansoor UCPO and Area supervisors has been recommended for disciplinary action stated in report.

Kindly note: EOC keenly following the issue of vaccine mismanagement .Therefore it is requested that action against the UC staff has to be shared soon for submission to EOC for information.

in case of any query please do let me know.

Best Regards

Dr.Ghayas uddin

District delivery operation and supervision officer
