AOA Respected All,

The said Issue was discussed with Mr. Rehmat Ullah. As per statement, physically available evidences, data files analysis and statement from team Members the matter was critically and qualitatively analysed. In the light of the findings, I found this statement absolutely valid and satisfactory.

Moreover, on job training of the Mr. Rehmat Ullah was conducted regarding drafting and documents attachment in the email to avoid any inconvenience in future.

R/sir

In reply of your explanation letter on account of poor performance ,it is humbly stated in your kind honor that I am working as ucpo since 2013 ,I am a hardworking and honest worker my Evaluation and performance report are on the board.the said issue happened on third September when I was doing my tally sheet analysis in excell sheet,as the tally sheet analysis formate shared was new one due to new revamp tally sheet ,this new formate was sent to me by my other ucpo colleague I take a copy of it and done my tally sheet analysis ,after completion of tally sheet analysis I mailed it to my concerned TCSP but unfortunately I attached the wrong file in mail body and the original one was left in my PC.i have showed all the evidences to my worthy PEO ,it was just an attachment mistake .therefore I appologize for this mistake and will try not to repeat the same in future.

Regards,

Rahmat ullah
