Subject: FW: Violation of social media and vaccination SOPs by a UCPO and a UCO

Dear Mr. Waseem,

With reference to below chain of emails, UC Polio Officer Mr. Arslan Khan UC Landi Arbab has facilitated a fake SIA Opening Ceremony at BHU Kakshal on 19th July 2020 for a female TikTok star.

As per the available evidences, he did not participated in the ceremony however, he asked UCDO Fawad and Area Supervisor Ulfat to facilitate News 92 channel team for recording video message. In attached screen shot he shared a contact number of media person with UCDO

Fawad and additionally a voice note is also available where he is asking UCDO Fawad to facilitate them as he has recently transferred to UC Landi Arabab from UC Kakshal.

As per his supervisors this activity was not approved by concerned authorities and neither they informed them through calls/email.

Both UCPO and UCDO have violated the SOPs of program. It is clear from the evidences that UCPO Mr. Arslan Khan has planned and implement this activity.

Based on the available evidences he is recommended for show cause notice followed by contract closure if response is not satisfactory.

Kindly provincial office feedback is requested.

Note: other evidences shared through whatsApp due to size limit.

Thanks & Regards,

Dear Shahid Sb

It is stated in reply of your email that as per my initial email and statement of the UC Communication Officer Mr. Fawad; he was asked by UCPO Mr. Arsalan to facilitate this activity.

UCCO Mr. Fawad shared screenshots and voice note as evidence that instructions for the facilitation of 92 TV channel team for recording video message were given by UCPO Mr. Muhammad Arsalan. Mr. Fawad further said that basic reason behind asking him to facilitate the said team was actually the transfer of Mr. Arsalan to UC landi Arbab as he could not facilitate them by himself. Mr. Arsalan's voice note to Mr. Fawad regarding the video message recording and intructions for facilitating 92 TV channel team is very much clear in which he said that he has also contact Miss Ulfat (AS) for supporting the said activity which proves that the said activity was planned and implemented by UCPO Mr. Arsalan.

Moreover in the attached screenshots that Media team focal person contact number is shared by UCPO Mr. Arsalan to Mr. Fawad for facilitation and implementation of the said activity.

Furthermore No approval was taken from any Town/ERU level officer for the said activity. Even no information was shared by UC level staff.

I will share Voice note of Mr. Arsalan through whatsapp.

Regards

Subject: Explanation on account of violation of social media and vaccination SOPs

Dear Dr. Kamal

It is stated that on of our UCPO Mr. Arsalan UC Landi Arbab (Previously UCPO of UC Kakshal-2) contacted Mr. Fawad UC Communication Officer UC Kakshal-2 to facilitate and record a video message from tik tok celebrity Sandal Khattak for TV channel 92News.

The said video message has been reported by the PEOC that it has violated social media and vaccination SOPs with respect to COVID-19.

Moreover town and district level supervisors were by passed and were also not taken in lop for the said activity.

Therefore it is recommended to take strict disciplinary action against the concern UCPO for not taking any approval prior to the activity and also for their casual and irresponsible behaviour and attitude towards their job descriptions and SOPs.

Your cooperation will be highly appreciated.

Thanks
