Dear Dr.Said Amin shb
thanks for the email and investigation done regarding Child who was actually sick and team putted him in NA during CR August 2020 knowing that the child is home.
concern UC staff also knew that the child was in home but kept it secret and didnt report either in evening meeting at UC level or in tehsil level.

Dear HR colleagues,attached justified picture(report) is for information is further necessary action.
The UC staff of Qmabr khel A is involved in data fagging and fake reporting misleading the district polio staff.
please note that Khyber has most CVDPV virus cases in the whole pakistan,and missing a child deliberately is serious crime.
i recommend strict disciplinary action against the concern staff.

Best Regards
