Dear Mr. Waseem,

With reference to below email an explanation letter was issued to UCPO Muntazir Shah on account of absenteeism. In response he mentioned that he could not share his daily activity plan due to non-availability of Network at Asil Targhaw Area.

As per supervisor feedback he was absent from field and has come for intra campaign phase only.

His response is considered unsatisfactory he is recommended from warning letter with two days salary cut.

In case of feedback regarding the same please let us know.

Thanks & Regards,

AOA Respected All,

It has been reported that the UCPO Mr. Muntazir Shah remained absent during the AICs training. He is performing his duties at far flung area of Asil targhaw, where communication also remains compromised. Few weeks back, it was reported that the UCPO has joined Rescue 1122. Upon probing, he denied the fact, but still it was reported time and again that he has joined rescue 1122. In last week, the said UCPO updated me that he is about to join the rescue 1122. I instructed him to follow the CTC guidelines and share one month priority notice and vice versa. Till time and date he has remained short of submission any notice or any processing document. It is requested to deal the said UCPO according to the CTC policies.
