Dear Dr. Sher Afghan,

As per policy an employee is liable to serve one month prior notice period or pay one month salary to the company in lieu of notice period. He has violated resignation policy which is against the rules of the program and organization.

Kindly inform him to serve one month prior notice period or deposit one month salary cheque to the company. In case of non-compliance his resignation will not be accepted and his contract will be concluded.

Kindly inform us by tomorrow regarding his decision.

Thanks & Regards,
Shahid Ali
