AOA Dear Colleagues,
I recommend to issue a warning and deduction of salary as it is a serious negligence of TORs and SOPs

R/sir.

With due respect It's stated in great honour! Definitely It's my duty and with this concern I am regularly visiting OPD as morning to noon and asking from Dr on duty about Afp, NNT, measles, Sari, ILI, Covid-19, but can't read OPD register as Dr,s writing. On my request Peo Dr walid sb instructed that Drs to share Afp details with Ucpos, and an explanation called from both Drs in this regard. But I,m sorry on non serious attitude of Dr,s towards Surveillance.

I apologized for what has been done and assure you that I'll be careful in future InshALLAH. Hope you'll affirm.

Pray for you with best wishes.

Jamshaid Iqbal
