Dear Nadeem Jan,

The said staff has not submitted any prior notice as per policy. The staff was having enmity in his UC and was unable to perform his routine duties. After analysis of the situation and keeping in mind the threat perception, we demanded his immediate resignation that's why prior notice is not submitted.

You may conclude his contract.

Thanks and Regards

Dear Dr. Waqar Ahmad,

As per policy an employee is liable to serve one month prior notice period or pay one month salary to the company in lieu of notice period. He has violated resignation policy which is against the rules of the program and organization.

Kindly inform him to serve one month prior notice period or deposit one month salary Cheque to the company. In case of non-compliance his resignation will not be accepted and his contract will be concluded.

Kindly inform us on priority bases regarding his decision.

Regards,

Nadeem Jan
