AOA Respected All,

As discussed telephonically, the said TCSP has repeatedly misguided the first line supervisor even after asking repeatedly. Moreover, his response, punctuality and other organisational attributes are also compromised. I would request to deal him more strictly as per organisational SOPs. Furthermore, his joining letter is attached for better understanding of the scenario and decision making.

Dear Dr. Walid,

Kindly your feedback is requested with regards to his presence in field since 7th September 2020 and his joining another organization without informing his supervisors and organization.
