>> SUBJECT: Respond to UCPO Usama explanation

>>

>> Respected sir,

>>

>> On the response of UCPO Usama I want to inform you that, we have been

>> facing multiple issues due to that unethical misconduct. UCPO Usama

>> has attempted character assassination of a female colleague through

>> circulating her private pictures. Which was not once but it has

>> happened multiple times.

>>

>> This issue has caused so many consequences. UC nazim Mr Adnan has

>> witnessed UCPO and UCCSO during work hours in an unacceptable

>> Situation inside teams support centre of polio workers. After that

>> CHWs and Area supervisors have suffered, as they have no roof over

>> Their head to work.

>>

>> Usama UCPO has been arriving late for his work multiple times, as he

>> has no sense of responsibility left, his attitude is careless.

>>

>> I would request you to take strict action against him. As it is

>> giving wrong impression to other staff and these types unethical

>> misconduct will be promoted among them, if no action will be taken.

>>

>> Regards

>>
