**EVENING REVIEW MEETING EOR Sep 2019 LAKKI MARWAT MINUTES**

The evening review meeting for EOR Sep 2019 Lakki Marwat was held under the Chairmanship of District Health Officer Lakki Marwat at DPCR Lakki Marwat at 3:00 PM. (Attendance sheet attached).

Field issues were discussed by the monitors. Consequent open the feedback, following decisions were made in the said meeting:

Sr. #	Issue Reported / Finding	Recommended Action
1	Dr. Muhammad Yousaf NSTOP visited UC Ghazni Khel where in Matora in two session zero coverage was noted. The Refusals were due to a blocker-Mr. Movlana Waheed.  The Work at Jabu Khel was satisfactory	PSTF Abdur Raheem was tasked to visit the concerned blocker on 19 <sup>th</sup> Sep 2019 for convincing him and the community for demand creation.
2	DHCSO visited UC Tajazai in Afghan refugee camp, the Zero dose children were not matching	The District health officer suggested Capacity building of the teams and enhance monitoring for proper zero dose reporting.
3	The EPI Coordinator is on leave and there is no AEFI Focal person	The PEI Focal person, Dr. Hidayat Ullah was nominated as Temporary EPI Coordinator (till arrival of EPI Coordinator) and AEFI Focal person as well.
4	Dr. Rafiq visited UC Pakharh Khel were no Mosque announcement was noted and defaulter lists were not updated.	The DSV EPI was tasked by DHO for proper message communication to all EPI tech for ensuring Mosque announcement, timing and updating defaulter lists.
5	Dr. Waqar visited UC Gandhi Khan khel where fixed site was nonfunctional and defaulter list was not updated. In the same UC the session at Gandhi Umer Chekarh was extra ordinary	The District Health Officer once again tasked DSV to inform all facility in charges for arraigining fixed strategy.
6	Dr. Naveed khurshid: All the DSV and TSVs were asked for missed match data. The EPI Tech have received the message that IPV may be given.	The DSV and TSVs will update the forum that how the targets were fixed on 19 <sup>th</sup> Sep 2019. The instruction is that the first inj given must be IPV if the child is eligible.
	In UC kot Kashmir were not found engaged in EOR SM activity and no mosque announcement was done. RSP saeed ur rehman was absent.	Internal warning will be issued by DHCSO. The UCPO and SMs will be shuffled PEO will call explanation of UCPO kot Kashmir for not reporting the absent RSP.
	Mr. Awais Qarni was having no idea regarding wast disposal.  As the EOC Coordinator suggested 3 days extension of EOR activity in his meeting.	DHO Lakki will proceed against Awais Qarni (well known poor performer)  The DPCR will plan for the extra three days of EOR. The DPCR Core member will also divide the district in epidemiological blocks. The Monitoring plan must be revised as Dr. Ihsan and Dr. Umer are on leave.
7	Dr. Kifayat DDHO informed the forum that the same EOR is going on in the same fission except Backle Khel and Saman bowra Khel	For Buckle Khel and Saman Bowra Khel, Mobile team will be deputed after EOR,
8	AC-WHO visited UC Mama Khel where 4 refusals were covered. One of refusals family	The details of the person responsible for missed behavior will be communicated later on. The In next

	misbehaved with the LHW while she was doing SM activity. In this UC the Targets and Converges are not matching.	EOR session the DPCR core member must check the micro planes for updated targets.
9	TSV Ayaz visited UC Tajorhi where in Kotka Walai the refusals were in cluster form.	The said TSV was tasked to submit refusals categorization.
10	Mr. Usman Adam. There are sessions where no coverage is carried out and only	There must be small sessions and the Tech must shift to next site if the coverage is not encouraging. There must be shifting of the UC staff.  The PEO will call explanation of UCPO Baist Khel for not reporting absent RSP.

Endst No & Date even.
