Dear Mr. Waseem,

With reference to below email It has been reported by the concerned PEO that UCPO Mr. Saif Ur Rehman remained absent for 5 days dated (2nd November to 7th November 2020), and have also submitted fake zero reports which are later on verified by his supervisor.

He is recommended for Show cause letter on account of persistent absenteeism and fake data reporting followed by termination of employment contract if response received not satisfactory .

In case if you need any further assistance regarding the same, Please let us know.

Dear Sir,

I remained present in my assigned UC throughout the week but last month all the field staff (UCPOs) were directed by DPCR focal persons to remain in field and you don't need to come to DPCR without intimation from your supervisors. As for as the zero reports are concerned; I use to collect my zero reports from my assigned sites. Sometimes it happens that the respective center incharge is not at site and i collect the reports from his OIC whoever is present there.

Subject: Explanation!

Dear Saif Ur Rehman

You have neither been present in District for Last 01 Week without nor in coordination with His TCSP without intimation to this office. Your absence has negative impact on task assigned to your good self. Similarly your assigned Area Zero Reports are totally in contrast with Actual Reports found from data received from various sources.

Please explain your position, why disciplinary action should not be taken against you. Your written explanation should reach this office within 48 hours of this email.
