Dear Nadeem Jan

After going through his current detailed explanation It is recommended to issue "WARNING" to Qari Inam TCSP and also call explanation from Zahoor Ahmad UCPO. Provided that our area Coordinator Dr Sardar Alam also recommends the same.

Thanks
Sher Afgan

Subject: Reply to the Letter Regarding Neglect Of Duty

Respected Sir,

1) This is with reference to the subject cited above it is hereby explained that as for as my neglect of duty is concerned regarding non-submission of Zero Reports since 27th of October 2020 to 11th November,2020 I would like to say that i have submitted all the reports of Three Tehsils Ladha, Makeem and Sararogha to PDA through email,sms and sometimes on call due to no network facilities.

Again I would like to say that according to PDA Sami Ullah Shakeel my negligence of duty is concerned with not reporting of COVID-19 Suspected cases from CH Sararogha. Sir, I would like to bring into your account all concerned UCPOs submit zero reports including COVID-19 cases from the health facilities to me. So, I have been sharing the received reports from the UCPOs with PDA and DSO in the received form.

2) Now, again i would like to explain that today dated:17/11/2020,I visited CH Sararogha for verifying the said cases on account of no proper record at CH Sararogha i have to contacted Mr.Shahid district Covid-19 control room Wana who provided me with 74 suspected COVID- 19 Cases in October and 10 same cases in November,2020 from CH Sararogha.

To cut the matter short, I am going to bring into your notice that the concerned UCPO Mr.Zahoor Ahmad has done fake reporting to me which led to non-submission of correct zero reporting and he has not been following the TOR. And everyone responsible for his reports.

3). I would like to bring into your account that Mr.Zahoor Ahmad is being reported by me to my seniors many times for negligence of duty but in vain. So, this time, I very humbly request you to please call his explanation too regarding the same as all has gone wrong due to his fake reporting viz has been submitting all the reports in zero form. For verification, we can contact CH Sararogha and District Covid-19 Control Room Wana SWTD staff as here he has been reporting zero ILI,SARI and COVID-19 Cases but on the other hand suspected and positive cases have been reported by the concerned health facilities.

4). Sir, I am sending some sent email (to PDA) screen shots FYKI, Not against any seniors.

Hopefully, will find my reply to the explanation reliable and authentic.

For proof include is herewith the some screen shots
