Respected Sir,

For Your kind Information, day of yesterday I verified that Mr. Zahoor Ahmad UCPO is not involved in any fake reporting. I am satisfied from their performance and hard working. Actually the Health Mobile Team daily/weekly basis submitting the COVID-19 Suspected cases outside from CH Sararogha and no have keeping any record at CH Sararogha/Health Facility, So the UCPO Mr. Zahoor Ahmad is not involve in fake reporting or neglect of duty.

R/Sir,

This is with reference to the subject cited above it is hereby explained that as far as my neglect of duty is concerned in the form of not reporting COVID-19 cases in October and November,2020, sir I am being assigned by UC Sararogha on October 17,2020 by my concerned TCSP Qari Inam Sahib. Onward the said date I have been reporting all the concerned sites' reports on time upon observing and checking the concerned OPD Registers.

Secondly,as far as the difference between my reported and TCSP's reported suspected COVID-19 Cases from CH Sararogha is concerned,sir I would like to explain that a special Health Mobile Team has been collecting the said samples from various sites weekly. So,the reported cases are not being reported from CH Sararogha as there has been found no record of such cases in CH Sararogha's OPD Register to be reported.

Thirdly, TCSP Qari Inam Sahib has verified the said reports in the subject site CH Sararogha which were not being found on record.

In the end I request you very humbly that now I have been assigned 4 UCs which is really a tough and difficult task for me to manage. So, one other UCPO especially for UC Sararogha will be proved very helpful for me and the program.

Regards.

Zahoor Ahmad

UCPO Janata.
