Dear Sir,

With reference to below placed email regarding complaint against UCPO Mr. Muhammad Jan of district Kohlu.

The PEO has launched complaint against said staff regarding his poor performance and absenteeism. PEO stated that he gave 10 days activity plan to UCPO in which surveillance activities, community engagement sessions and Micro census book updation mentioned.

The said staff did not complete any activity not submit any report even his micro census book was just completed 10 to 20 percent.

When PEO asked him to explain the reason of this negligence and his absences from the field the staff has submitted his stance with one report.

However as per PEO remarks he did not conduct any activity for surveillance and for SIA he still not updated Micro census book before campaign and he submitted partial MC book 10 to 20 %, and now in response he shared old picture of Summer Season which shown his non serious attitude toward the Program, so lot of verbally warning they gave them but no any satisfactory response received from the staff.

AC also shared his remarks and he also endorsed the comments of PEO he stated that the said staff is dogging all of us by sharing old pictures and fake report. he suggested strict action final warning with 10 days salary cut on absenteeism.

As we did not receive any complaint of his performance before this so it is recommended to give him one chance and issue him final warning on account of poor performance and non-professional attitude. Further regarding absenteeism issue your kind guidance is requested should we deduct his 10 days salary or not ?as staff is saying that he did not absent from the field .

The email is being send to you for your kind information and kind remarks.

In case if you need any further assistance regarding the same, Please let us know.

Thanks and Regards
