Respected Sir,

It is stated for your kind information that I was resigne my job on last 15th of this month but again an issue occured in that job and will take some time in resolving that issue,

Dear Sir, Now it is humbly requested that I want to take my resign back and want to continue my job with CTC in PEI programme because I am really needy man and without job it is difficult to handle my life and family needs.

Dear Sir, I am working with CTC since last 5 years, So kindly consider my request and forward for necessary action
