Dear Miss Hareem,

This is to bring in your knowledge that Miss Tasleem, UCPO Usman Khattar, is absent from her work since last 4 days.

As she had submitted her leave request for 10 days but her leaves were approved for 6 days (from 14th to 19th December 2020) from your side and she was directed to resume her duty from 21st December 2020.

As we are tracking UCPOs through locations and activities on Whatsapp group, but she remained absent on these groups. Today on telephonic contact she replied that she still didn't resume her duty.

This is submitted for your kind information and for action against her non serious attitude.

Respected Dr Aamir,

It is to bring in your knowledge that PEO Dr Nazia took one day leave for an interview in Karachi, which was approved.

However she sent another "CERTIFIED" sick leave till 13th November 2020 which was also approved and it was mentioned in my comments to return for work on Saturday 14th of November, looking at the shortage of staff, precampaign activities, positive environmental sample, ERC cases (which she refused directly in WhatsApp communication not to give her even computer based task during her leave).

Now she has categorically refused to work and come on Saturday although we have TOT's of UCMO in progress and need support in AS visit too.
