Following correspondence is included for action.

Kindly ensure following contract needs to be terminated from January-2020 onward in case if contracts are extended.

Dear colleagues
Please not extend his contract beyond the current month, as he is not improving overtime.

Dear Dr. Basit

This is to bring to your kind notice that upon notification of AFP case from UC Sai Bala, i called Mr. Qudoos 12 times but he didn't pick my calls although he was reading messages on WhatsApp. He didn't even bother to call back.

I am facing issues from his side multiple times and given written warnings but his performance and attitude towards job is not improving. Your kind action is needed.

Thanks
Shahzad
