Dear Doctor Fawad:

I am writing to give my resignation from WHO/CTC, effective one month from today [12/01/2021].

I have enjoyed working with you over these past ten years and would like to thank you for the opportunities, both professional and personal, you have provided me during my time.

Wishing you and the organization every success in the future. Let me know if I can be of help over the next month during the transition phase.

Sincerely,  
Muhammad Arafat
