Respectable /sir

In response of show cause received from CTC,i clarify that due to risk of UCPos new contract extansion issue i was very tensed about my future,and i m a single source of support for my family to fulfill financial expenditures,basically I m belonging from a very poor family and I was afraid that at any time my job contract will be suspend from CTC and I will be a jobless person

that why i was applying 2 3 places for search a new job and luckily I got good response from one organization, but they ask me to immediately join, otherwise they will suspend this vaccancy for me,and I also discuss all this with my District Immunization officer, he replied me that an email will be send you and you wil respond this email,but when I have received no any email than I have join that job on 20-01-2021. But,I also accept that its my mistake that i couldn't inform you about that,due to firstration,nd lack of knowledge of proper process about how to inform you about this job,but its true that i have never suspend any UCPO activity regards this job till to date.I m very ashamed on this act,that this was took place only due to not clear about SOPs otherwise i will send u my resignation notice,therefore kindly accept my this request that for do not taken any deciplanary action against me,I will gratefull to you.

Thanks

Regards

Muhammad Juman
