Dear Ayesha and Majid,

Thanks for the email, clarification and sharing UCPOs Amanat reply to the explanation issued.

The said CHW was present during teams deployment in morning and left the field without any permission and completion of his assigned day of work.

The UCPO later reported the CHW as absent from the field to the concerned TDUO which is on record and warning has been issued to the same CHW as well which is attached with the email.

UCPO Ammanat reply is satisfactory.
