Dear CTC,

I have reviewed the response to explanation by Mr. Kaleem UCPO and put forward the following submissions;

- In the response to show case issued to the concerned AS, she has attached an application for short leave on a plain paper. Approval and signature of UCDO is present on that paper. Question arises that how can UCDO (as a functional supervisor) approve short leave for AS during campaign days without informing or taking approval of UCPO
- During campaign days, it is responsibility of UCPO to share morning report with DEOC. In morning report of UC Pishtakhara on that day, the concerned AS was shown as present and no remarks were added to explain she will be going on short leave, hence misleading DEOC.
- As per the remarks of concerned Town Operations Officer, Mr. Tahir, he talked to AS himself on that day. The AS acknowledged that she has informed UCPO about her short leave.

Based on the above submissions, warning is recommended.

Respected Concern,

Hope you are doing well,

With reference to the explanation put forward by CTC against me, It is for your kind information that AS Miss.Nosheen (Area:01 Pishtakhara) was told me before five days that my test is expected during january/2021 campaign , then i was told her when your test date confirm then inform me and UCDO in written and also attach a copy of test letter then we will share with district for approval but unfortunately she not inform me about the fix date and time of junior clerk test, but on dated:17/01/2021 at morning time we dispatched all teams including AS and Monitors, According to Monitors Supervisory Plan on dated :17/1/2021 my area was area:8 Meendawa, so i left bhu with Patwari for refusals coverage and this area is so far from bhu, so i have no information regarding AS Nosheen that she is in area or she left her area with permission of her supervisor Shakeela Naz UCDO, but after at 11 o'clock TDO call me where is Mss.Nosheen AS, she is not in her area and now she is in junior clerk test when i contact with UCDO she told me i have give her permission (then i was told her why you are not inform me, because it is against SOP) for short leave (2 hours) on urgent base, but when i contact and discuss with TDO then he told me you don`t report her i will report her and discuss with senior, so i was follow the instruction of Supervisor, so i have complete my responsibility as a UCPO to inform my Supervisor and discuss this issue on call.

Kinds, Regards
Kaleem Ullah UCPO
UC Pishtakhara
