Dear Mr. Bhurt,

With reference to the subject matter, issuance of warning letter is recommended to UCPO Botoga Khiner - Mr. Naik Alam on account of his neglect of duty.

UC Botoga Khiner failed the LQAs in NID Jan 2021 and the reason was that team didn't visit 10 children. UCPO failed to highlight the missed children to the concerned supervisor. Also his coordination with the team is not satisfactory. The feedback of the field supervisors is also appended herewith.

In case of any further information regarding the same, please feel free to contact the undersigned.

Dear Ayesha Naeem,

There is no evidence in ODK data and daily intra campaign monitoring report by UCPO. I personally visited that area and found missed houses in UC Batogah on 4<sup>th</sup> Day of campaign. After end of campaign eLQAS team found missed houses in same UC. UCPO botched to identify the gaps.

I will recommend for action accordingly.

Thanks & Regards,  
Shakir ullah Baig.
