Subject: Re: Explanation letter on account of unapproved absenteeism

In reference to your email dated.3/10/2019.I have the following explanation.

On dated 29 on time 4:32 PM I received an SMS about my Master examination papers which was held on 30 and 31 August 2019. I got this sms/information in so haste and without any prior preparation, despite that I informed my PEO about the examination schedule and asked for the leave. However, it is noteworthy that PEO did not accept my application for leave with the reason that it was too lately informing the concerned PEO about leave. As per rules it was at least to be a week earlier to ask for the leave but my issue was that I got the information about my exams schedule too late.

Keeping in view the above facts of my excuse,It is humbly requested that kindly accept my apology for the explanation. Hopefully, your esteemed office will accept the explanation.

Once again i assure that I will always be devoted and committed to my duty and will certainly support in eradication polio from Pakistan.

Please find the Attached my Date sheet.

Looking forward

Thanks and kind regards

Thanks and kind regards
