Respected sir

It is stated with due respect that I, Mr. Ghulam Naeem Shah regularly perform my duty at UC Nurar of District Bannu but on 20th Sep 2019, I performed my duty till 12:00 pm, the vaccination sessions were completed at that very time, and I received a call from my home. I had to leave the field as I was having an emergency at my home. I tried the cell number of my immediate supervisor thrice but due to network problem I could not talk to him.

It is therefore requested to kindly consider my reply to the explanation as satisfactory. I will be really thankful to you for your this act of kindness and would not repeat happening like this.

Thank you

Mr. Ghulam Naeem Shah
