Mr, Saqib Ali Mumtaz,  
Manager Legal and contracts,  
CTC, Islamabad, Pakistan

Dear Sir,

Thanks for informing me through telepathically by Mr, Nadeem Jan project officer PTPP, As our U.C Jogani is the remote one of district Peshawar (G3 area) and lack of basic facilities like electricity, network issues that's way I didn't read email to respond timely.

Reference to show cause; recently I got job offer in education department last month and then accepted, still some education documents under verification process by Education department. I have not received any salary from this job. Meanwhile with CTC my contract will be ended on 31th October 2019. I think that I will email CTC department on last date of contract as to complete the October month assignment here, then I will start proper duty there. Till date I am working here to perform my duty successfully. You may verify it from immediate supervisor (UPEC) and line manager (PEO).

I am thankful to CTC for providing me an opportunity of learning. I worked more than two years as UCPO and performed my duty successfully. Furthermore, when UCCO post vacant at UC Jogani, so I also worked for CTC as dual job UCPO of (PTTP project) and UCCO of (COMNET) at same time for six months and never got any benefits.

Keeping view my previous services, it's my humble request to kindly consider my contract till 30<sup>th</sup> October 2019. During this time I will properly handover all documents, records and logistics to UCCO, UPEC or any other person assigned by you.

I am really sorry for not informing you on time, as I was in process and thought that I will properly email at last day of my contract.

Kind Regards,

Syed Abdur Rauf Shah

UCPO- UC JOGANI DISTRICT PESHAWAR
