Subject: Re: Request for Investigation into Mr. Inamullah UCPO Pajaggi

Dear Mr. Shahid,

Greetings!

At my joining with WHO as a PEO, I was being oriented by Ms. Edda during which I have monitored UC Pajaggi in her presence. Mr. Inamullah used to be in the field at all times during that time. After my week of orientation I was assigned 12 UCs in my block and Pajaggi came in Dr. Shahab's and Dr. Mussawir's block during which I didn't have much interaction with him. But in that meantime, BHU Faqeer Kallay was one of my monthly active sites and during those visits, Mr. Inamullah would be in the field if not in the BHU.

After Dr. Mussawir was transferred, I took charge of UC Pajaggi and made multiple surprise visits. During those visits, Mr. Inamullah was present in field and nothing was suspicious about him.

Regarding his field activities and performance as a UCPO, he has done quite well. His job is satisfactory with only a few shortcomings. He has notified multiple AFP cases. Feedback wise he has kept me updated regarding the UC. He has shared his live locations at the right time without any lapses. Nobody has complained against him regarding his work ethics till now.

I have also shared his appraisal recently.
