Dear Mr. Yasir Kazi,

Hope you are fine.

This email is sent to you to improve your compliance which is lagging behind despite of numerous reminders.

You have skipped field activity for one day in the past week without our information.

Upon noticing it in the late afternoon, you presented the reason that you had to go on urgent basis.

This is not the official and professional way and therefore, you are again requested to please improve these areas on urgent basis. Also, submit your leave request for that day.

Yesterday I asked you to show me your Documented Activities of Surveillance you have done in Field but you were unable to give reports , That shows negligence from your Side .

Please note that This will not be tolerated again. Kindly Improve your Punctuality and compliance in your reports to avoid disciplinary action against you .

Regards,
