Dear Imran

The reason is not properly justified because at 1:30pm Dr.Sandeep Called me to verify his location and activity of that day , after 2:00pm he called us back that was in sukkur for his nephew

Which is already admitted in hospital

As this is not the first time he was absent in field without prior information .. He may be given the Last warning to improve his performance ..

Dear sir

Sir I am soo sorry regarding late reply of email because their so problem in the mail box it didn't open. Sir when you call me regarding leave with out intimation I reply it was in emergency I did not pick my cell phone. Because my nephew was very serious condition and my elder brother and his wife was in umarah so take him to doctor in sukkur therefore I don't inform PEOs. When I return back near about 11:30am I saw my mobile and reply to PEOs and about the situation. Dear sir my newph have MRSA problems and he is still in Karachi and not well. So I hope you will consider my matter and if need evidence of document I will provide you.

This is truth and hope you will be considered
