Subject: FW: [EXT] RE: Arrest of TPO Halimzai in a murder case.

Dear Ms. Khalida and Mr. Shakeel,

Greetings!

This is with reference to below email regarding arrest of TPO Mr. Liaqat Ali, Tehsil Halimzai, District Mohmand under murder charges.

As TPO is nominated in FIR and is under arrest by law enforcement agencies, therefore his immediate suspension from the position was recommended to WHO PO. However, after our detailed discussion with CTC Legal Consultant, it is concluded that the contract of the said staff member needs to be discontinued till he gets clearance certificate from the court regarding the murder charges levied against him. The suspension of the staff member may lead to further issues at field level as the accused may come out of prison on bail and in such scenario, allowing a staff member who is accused of murder charges shall affect programmatic interventions in the vicinity. Moreover, even if he is allowed to work in field after his bail, still he will be under trial for longer due to which he shall not be able to perform his duty diligently and shall also affect work place environment.

Therefore, on the basis of aforementioned facts, it is recommended that the contract of the said staff member shall be concluded on non-disciplinary grounds with immediate effect. He shall be considered for future openings once he gets clearance certificate from Police and court regarding the allegation of murder levied against him.

Feedback and approval of WHO FO is requested regarding issuance of contract closure to TPO Mr. Liaqat on aforementioned grounds.

In case of any further information regarding the same, please contact the undersigned.
