Subject: Resignation

Assalamualaikum Warahmatullah !!

Dear Respected Madam,

As it's already in your knowledge that I was selected as a Tehsil Communication Officer on the 23rd February 2021 , but due to change of third party, there was a delay due to that transition and today I got the offer letter so I am unable to serve a one month prior notice in resigning from my post.

So Dear Madam, I am resigning from my post with immediate effect. Kindly issue me my experience letter and salary for the period I served.

It was, indeed, a great opportunity of learning and outshining under your guidance and supervision.

Thanks a lot.

Warmest Regards.
