Respected Sir,

It's to inform all of you that today I was a task for data analysis given by DEOC, I, UCPO Rubina, TTSP Abrar, UCMO Faisal, UCCO Saeed iqbal, UCCSO Naheeda Gul and some staff of UC CCB-4 was at TSC. We all were busy at the time around afternoon 12:00 PM, TDSO Mr. Akhtar came in room and order that us that write down teams deployed and return time on every tally sheet in nonprofessional and aggressive way when I ask him that it is a data fudging kindly document it than the shouting and misbehave with me.

It's my humble request to concern authorities kindly look into this grave and repeated issue as per SOP.
