Respected Sir,

It is hereby informed to you that the picture of UCMO Ibrar with female staff has been viral on 3rd March 2021 at night time by UCPO Rubina on PTP official group. However, screen shots of PTP official group as well as voice recording is below attached. Furthermore, one more important thing is that she was admitting her sin on call with Saeed Ullah. In her voice call, she has clearly said that the picture has been shared by me in PTP group. Moreover, my question is why she is blaming us?

In a short, it is my humble request to concerned authorities that kindly investigate this grave issue as per SOP.

Regards & Thanks,

Naheeda Gul,
Union Council Polio Officer,
UC CCB-3 Saddar Town.
